**StarttiPlus** is a free expert service provided by the Uusimaa TE Office for those who have earned a start-up grant. The service will help you boost your sales and will support your marketing, and you will also get a written plan to develop your business idea. Furthermore, you can get up to four additional meetings to deepen your skills in sales and marketing, according to need. The service is provided by partners of the TE Office, and you can choose the one that suits you best.
